

## THE LITTLE RAT

A little rat peeped out of its hole,  
And saw a piece of roti  
It came out and looked around,  
To take the piece of roti  
The little rat ran under the chair,  
To eat the piece of roti  
And then it saw the big fat cat,  
Snatching the piece of roti  
The frightened rat ran into its hole,  
Saying "the cat has eaten my roti"

# THE CUCKOO

The Cuckoo sang one summer's morn,  
Coo-ooo, Coo-ooo.

Get up, get up you lazy bones  
Coo-ooo, Coo-ooo.

The night is gone, the sun is risen,  
Coo-ooo, Coo-ooo.

Get up, get up you lazy bones,  
Coo-ooo, Coo-ooo.

The breeze is cool, the birds are chirping,  
Coo-ooo, Coo-ooo.

Get up, get up you lazy bones  
Coo-ooo, Coo-ooo.

It's time to thank God and start working,  
Coo-ooo, Coo-ooo.

Get up, get up you lazy bones  
Coo-ooo, Coo-ooo.
